Fiftieth Annual Report.

THE Board of Management have the honour to submit to the Governors and Subscribers their Annual Report for the year 1900.

Before proceeding with their review of the work of the Hospital in the last year of the 19th Century, it is the Board's sad duty to chronicle a momentous event, which, though it did not happen within that year, it is nevertheless incumbent upon them to record. They refer, of course, to the death on the 22nd January—the first month of the new Century—of our beloved Sovereign, Queen Victoria. Death of the Queen

The Queen had been Patron of the Hospital from its beginning, having given that evidence of her great interest in it immediately after the laying of its foundation stone by her illustrious Consort, Prince Albert, on Coronation Day, 1845, and from that time, Her Majesty's interest in the welfare of the Charity never diminished.

If there was one attribute which was more eminently characteristic of our late Queen than another, or which endeared her more to the hearts of her people, it was her overflowing sympathy with the suffering, and especially with the suffering poor. It is therefore fitting that the Board of Management of a great Hospital such as this—the object of which is the relief of the sick poor—in giving expression, on behalf of the whole body of its Governors and Subscribers, to the grief and the sense of irreparable loss which they, in common with the

whole nation, feel at the death of our revered Queen, should dwell on this benignant quality of her pure and noble character.

Election of Board of Management.

The Annual Election of the Board of Management took place at the Quarterly Board of Governors in June, in accordance with the laws of the Hospital. The retiring members were:—Colonel Bannerman, Mr. Charles Bird, Dr. Stamford Felce, Mr. W. Austen Leigh, Mr. Edward Smith, and Mr. Noble Taylor, who, being eligible, were re-elected. At the first meeting of the newly-elected Board, Colonel Stanley G. Bird and Mr. J. R. Mellor were re-elected Chairman and Deputy Chairman respectively. The vacancy caused by the election of Mr. Alfred Scorer as a Vice-President has been filled by the appointment of Mr. M. P. Christie.

Work of the Year.

The work of the Hospital during the year 1900 was heavier than it has been for several years; indeed, the number of persons relieved in the various departments was the highest on record, viz., 44,117. Of the 281 beds in the Hospital 253 were, on the average, constantly occupied. This is a very high proportion, showing that the Hospital worked throughout the year at very high pressure. This was, indeed, the fact, the occasions when extra beds had to be put up having been much more frequent and of much longer duration than in any previous year.

It is not necessary to refer here to the number of persons relieved in the different departments, as full particulars are given in the tables on pages 32 and 33.

Expenditure.

The extent of the work of the Charity is, as would be expected, reflected in its ordinary expenditure, which amounts to the very large sum of £27,160. Other influences combined to swell this figure, chief among which were the high prices of almost all commodities prevalent throughout the year, owing presumably to the Boer War. But even the collective effect of these two influences does not completely account for

this heavy expenditure. For several years past a growing deterioration has been noticed by the House and Finance Committee and the administrative officials in the efficiency of the domestic servants. Good servants have been more and more difficult to get, those obtained are markedly less well trained than they used to be, and changes are very much more frequent. Waste, very difficult to prevent in a large and complex establishment like a hospital, but which St. Mary's has always held a prominent place among the hospitals of London or its success in preventing, cannot but be increased by this lack of training and experience in the rank and file of its workers, and this constant change of *personnel.* Last year, owing also to the war, these conditions extended in a lesser degree to the male servants, and, by the absence of some of the sisters at the seat of war, to the nursing also.

The increase in the ordinary expenditure is mainly due, therefore, to the greater number of patients, to the higher prices of necessaries, and, to some extent, to a depreciation in the efficiency of the rank and file of hospital workers. It is to be hoped that the last two causes will be of a temporary character.

It may not be out of place to remark in passing on the far reaching and wide spreading results of war.

The effect of the higher prices has been most felt in Surgical Dressings and Disinfectants, and in Coal and Coke, those items alone being responsible for an increase of upwards of £1,000.

The expenditure of the year is further enlarged by an outlay of over £3,000 on extraordinary repairs and structural alterations and improvements.

The grand total is £30,461, exceeding the income from all sources by no less than £8,118. The deficiency was supplied by the sale of securities, a serious drain on the very slender financial resources of the Institution.

Income.

The ordinary income, although lamentably inadequate to the needs of the Hospital, still shows a gratifying improvement

under nearly every head. The total is £14,493, compared with £11,766 in 1899, and £11,913 in 1898. The most satisfactory item of all is the income derived from Bed Endowments, which now amounts to £714 a year, a small figure, it is true, but one which affords the Board the liveliest satisfaction, especially when they remember that nearly the whole of it is the product of the last eight years.

Bed Endowments.

Again they wish earnestly to call attention to the fact that in no way can so great a benefit be conferred on the Hospital as by the endowment of a bed or cot.

The Board take this occasion to offer to Mrs. Scaramanga, and to the Executors of the late Mrs. Mimina John Ralli, their very hearty thanks for the endowment of two beds in memory of the deceased lady.

Legacies.

Legacies, always a capricious source of revenue, provide this year £7,850, an average figure. The year before £12,147 was supplied from this source.

Donations.

Among the principal amounts contributed to the funds of the Hospital during the year, the Board desire to mention the following generous donations :—

Mrs. Benyon	£200
The Worshipful Company of Clothworkers ...	105
E. R. Merton, Esq.	100
Mrs. P. P. Rodocanachi	105
Smith's (Kensington Estate) Charity	300
A Customer of the Union Bank of London (Chancery Lane Branch)	500

Death of Mr. Thomas Thistlethwayte.

In recording with deep regret the death of Mr. Thomas Thistlethwayte, the Board chronicle the loss of the most liberal benefactor the Hospital has ever had. For twelve years he contributed the munificent annual subscription of £300, the last payment of which was made on the 1st January, 1900—the day of his death. The Thistlethwayte family have, from the very first beginnings of St. Mary's Hospital—even before it was built—been

foremost among its most generous and constant supporters, as a glance at the list of deceased benefactors on page 40 of this Report will show, and the Board therefore desire that the expression of their sincere regret at the death of Mr. Thomas Thistlethwayte shall be accompanied with this record of their high appreciation of the great services rendered to St. Mary's Hospital by the deceased gentleman and the members of his family during the long period of 57 years.

The Board need not dwell on the seriousness of this loss of an annual subscription of £300. It speaks eloquently for itself. The Board earnestly hope that it will speak to willing hearers.

Out-Patients.

The system of enquiry into the circumstances of the patients, with the view of preventing abuse of the Charity by those able to pay for the treatment they require, has been continued throughout the year. The Committee have held their meetings, and the Enquiry Officer has continued his investigations, regularly.

Of 20,032 patients in the Medical, Surgical, and Special Departments, 13,674 of whom were Medical and Surgical cases, and 6,358 Special, 1,491 were selected as calling for enquiry, viz., 936 Medical and Surgical, and 555 Special.

Of these cases, investigation showed 329 only to be unsuitable, a number equal to 1·64 per cent. of the total number of patients in all Departments.

The percentage of unsuitable cases in the Medical and Surgical and Special Departments is appended :—

	Patients.	Unsuitable.	Percentage.
Medical and Surgical ...	13,674	191	1·38
Special	6,358	138	2·17

In spite of the adoption of the enquiry system, however, and of its undoubted effect, indirect as well as direct, in preventing abuse, yet the number of Out-Patients treated last year was higher than ever.

Under the able direction of the Matron, Miss Medill, the

Nursing Department

efficiency of the Nursing Staff has been well maintained, although the absence on active service in South Africa of Sisters Albert, Lewis Loyd, New Boynton, and Thistlethwayte and the departure from the Hospital of four other Sisters—Allcroft, Grafton, Isolation, and the Theatre Sister—have subjected it to a somewhat severe strain.

There have been several cases of serious illness among the Nursing Staff, and the Board have to record with deep regret the death of one Probationer, Nurse Florence M. Castle, with the members of whose family they desire to express their sincere sympathy. On the whole, however, the health of the Nurses has been well maintained.

Two further additions have been made to the Nursing Staff during the year. The constantly increasing demands on this Department of the Hospital—indeed of all hospitals—have been among the most prominent features of hospital administration during recent years.

The thanks of the Board are given to the Prince of Wales Hospital Fund for London, the Hospital Sunday Fund, and the Hospital Saturday Fund, for their awards of £1,200, £1,974 3*s.* 4*d.*, and £427, respectively.

Royal Gifts.

His Majesty the King, and His Royal Highness the Duke of Cornwall and York, the President of the Hospital, have, during the year, sent most acceptable presents of Game; and a most acceptable present of toys for the Children's Wards from Kew children and other friends, was sent through Her Royal Highness the Duchess of Cornwall and York.

London Needlework Guild.

The London Needlework Guild has again repeated its welcome and most useful gift of a large parcel of warm clothing, which it has now contributed at Christmas for many years. For Mrs. Basil Ellis's good offices in this connection the Board again record their hearty thanks.

The Board again repeat the expression of their great appreciation of the valuable assistance rendered by the St. Mary's Aid Society, both in providing suitable gifts of clothing and toys at Christmas, and in supplying the wards from time to time with flannel jackets, shirts, slippers, games, plants, &c. Once more they record their thanks to Mrs. Russell-Cooke, the Founder and Hon. Secretary of the Society, and to the ladies co-operating with her in this valuable work. St. Mary's Aid Society.

The Ladies of the Flower Mission have continued their kind and successful efforts to cheer the patients in the Hospital by visiting and singing to them, and by contributing flowers to brighten the wards. This kindness the Board again acknowledge with gratitude. Flower Mission.

St. Mary's Soup Kitchen has continued during the year to alleviate the sufferings of many of the Out-Patients attending the Hospital, by supplying nourishing food to them in the time of ill-health when they need it most. St. Mary's Soup Kitchen.

The Board learnt with deep regret in the course of the year that the Kitchen was not prospering financially, and they felt it their duty to make to it a special contribution of £5, which they propose to continue annually if necessary, as they have for years recognised in the Kitchen a most valuable adjunct of the Hospital, and they feel that any curtailment of its beneficent work would be a serious loss to the deserving poor in this neighbourhood.

The Board beg to offer their very grateful thanks to the Hospital Work Society for a most useful gift of underclothing, sent through Miss C. M. Macleod for the patients, and to the Nurses' Needlework Guild for a similar gift, per Miss Theobald. Such presents are most serviceable. Hospital Work Society. Nurses' Needlework Guild.

The reconstitution of the University of London on the basis of a teaching University has brought about important changes in the status of the Medical Schools of the Metropolis. The Medical School.

St. Mary's has taken its place as one of the first schools of the University in the Faculty of Medicine, and the Staff and Lecturers in the Medical School have been individually recognised as teachers of the University in their respective subjects.

The Dean reports that the high standard of work attained of recent years in the Medical School has been fully maintained, and the success of the students at the various examinations has been conspicuous, notably at those of the Universities of Cambridge and London.

In last year's report reference was made to the readiness with which qualified students had come forward for service with the Army in South Africa, and the Board of Management note with much pleasure that this same spirit has been sustained throughout the past year, with the result that the Hospital has had upwards of sixty representatives with the Imperial Forces, most of whom hold commissions in the Royal Army Medical Corps, or are attached as Civil Surgeons.

The students are to be congratulated upon a year of unprecedented success in Athletics, St. Mary's winning the Inter-Hospital Rugby Cup, the United Hospitals Athletic Shield, the Inter-Hospital Junior Cup for Association Football, the Cycling Challenge Shield, the Inter-Hospital Swimming Cup, and being joint-holders with St. Thomas' of the Inter-Hospital Cricket Cup.

Parkwood Convalescent Home.

The Convalescent Home, Parkwood, Swanley, has continued to provide for many of our patients, on discharge from the Hospital, a three weeks' stay in the country. The number benefited during 1900 was 187. The Board again express their gratitude to the Trustees of the Home for the beds they have so generously allotted to St. Mary's Hospital, which have enabled the Board to confer so great a boon on many hundreds of poor people who could not otherwise have obtained it.

The Chaplain's Department.

Celebrations of the Holy Communion are held every Sunday in the Chapel either in the early morning or at mid-day, and

three celebrations on all the greater Festivals, as well as the usual 10 a.m. morning prayer and sermon. A special service was held on St. Luke's Day, when the sermon was preached by the Right Rev. Bishop Barry.

Prayers have been read daily in the wards by the Chaplain. Half-hour services, consisting of prayers, hymns, and address, have been held every Sunday evening in all the adult wards, on which occasions the Chaplain has had the valuable assistance of Mr. W. Fox, licensed Lay Reader.

Holy Communion is celebrated frequently in the wards, and each ward is visited, as a rule, every week by the Chaplain—special cases more frequently.

During the past year the Chapel has been furnished with new hassocks; new altar frontals, veils, and linen have been presented; grants of Hymn Books, Testaments, and Prayer Books have been received, and a harmonium provided for the ward services. Particulars of these have appeared in the St. Mary's Hospital "Church Magazine," which has been lately started. The Chaplain has received great help in his work from the lady visitors and other friends of the Hospital.

On 1st June, the Rev. J. Blunt Wilkinson, finding his strength unequal to the work, retired from the chaplaincy after five years' valuable service. The Rev. C. E. T. Whitfield was appointed to succeed him, and commenced his duties on 1st June.

In conclusion, the Board desire to testify to the constant attention and kindness which the Honorary Medical and Surgical Staff have continued during the past year to bestow on the patients, and to heartily thank them for their valuable services to the Hospital.

Signed, on behalf of the Board of Management,

THOMAS RYAN, *Secretary.*

In the year 1884 Mr. George Sturge, of Woodthorpe, Sydenham Hill Road executed a Deed of Trust conveying to St. Mary's Hospital £926 *Great Eastern Railway 5 per Cent. Preference Stock, representing one thousand pounds (£1,000), under the following conditions :—

"In giving the sum of £1,000 for a Samaritan Fund for the above Hospital, Mr. Sturge gives it on the conditions that this Fund shall be kept entirely separate from the General Funds of the Hospital, and that the income shall be paid to, or applied for such In-Patients as may be necessitous, and within three months from their discharge from the Hospital, and for the purpose of their having necessary nourishment, clothing, or change of air."

Table of Averages, 1899 and 1900.

1899.		1900.
281	Total number of beds	281
197·9	Daily Average number of beds occupied	253·6
23·2 days	Average stay of each In-patient	24·1 days
£106 0 9	Average cost of each occupied bed	£98 8 4
£6 13 6	Average cost of each In-patient	£6 10 5

IMPORTANT.

The Hospital was almost entirely closed (provision only being made for accidents and other urgent cases brought to the doors) from 1st July to the end of September, 1899, and a few of the Wards continued closed until the end of the year; hence the figures for 1899 are not comparable with those of other years.

2. All classes of disease are received, with the exception of confirmed consumption, infectious diseases other than typhoid fever, delirium tremens, itch, incurable diseases, chronic ulcerated legs, and cases capable of receiving equal benefit as Out-patients. It must, however, be borne in mind, that "no person capable of paying for medical attendance is admissible as a patient."§

GOVERNMENT AND MANAGEMENT.

The mode of Government is by a Board of Management, meeting fortnightly, and consisting of the President, Vice-Presidents, Trustees, and Treasurers, together with twenty-five Governors elected annually, of whom eight are Members of the Medical and Surgical Staff or Lecturers in the Medical School; and by Standing Committees appointed by the Board of Management. The acts of the Board of Management and of the Standing Committees are subject to the control of the Quarterly and Special Boards, which are open to all Governors.

QUALIFICATIONS AND PRIVILEGES OF SUBSCRIBERS.

Ann. Subscribers of		Donors of	Privileges.
£1 1 0	or	£10 10 0	May recommend 6 Out-patients annually.
2 2 0	,,	21 0 0	May recommend 2 In-patients and 12 Out-patients annually.
3 3 0	,,	31 10 0	May recommend 3 In-patients and 18 Out-patients annually, and are eligible for Election as Governors.

Subscribers of greater or less sums are entitled to recommend Patients in proportion to the amount of their subscriptions.

§ The attention of Subscribers is earnestly called to this point, there being reason to fear that persons obtain relief whose position and means should forbid their doing so at the expense of a charity. Due caution in giving letters of recommendation would do much towards checking this abuse.

Governors have also the right to inspect the Hospital under regulations by the Board of Management, so that they do not exercise that right so as to inconvenience the Chaplain or any Minister of Religion, or the Medical or other officers, or the Patients.

Executors of any considerable benefactor by will are eligible to be elected Honorary Life Governors.

THE MATERNITY.

Annual Subscribers of One Guinea, or *Donors* of Ten Guineas to the MATERNITY FUND, may recommend three Patients annually *to that department;* and so on in proportion to the amount of the subscription.

ADMISSION OF PATIENTS.

Accidents and cases of *urgency* are admitted FREE at all times, on the approval of the Medical Officers.

Persons holding In-patients' letters and desiring admission, must present their letters at the Hospital at 1 o'clock (Sundays excepted). They will be admitted after examination by the Medical Superintendent, if suitable and there is room.

Much inconvenience having occurred in consequence of the arrival of Patients from a distance, without notice, it is requested that Governors and Subscribers sending Patients from places so remote as to preclude easy and cheap communication with the Hospital, will give notice to the Secretary three days before the Patient intends to apply for admission, and send a Medical Certificate stating as fully as possible the nature of the case.

When there is not room for all who apply for admission as In-patients, those whose cases are most pressing are accepted, and the others are deferred or prescribed for as Out-patients. Notice of this is sent to the Subscriber, who can then recommend another case.

The following cases are unsuitable for admission as In-Patients—Confirmed Consumption, Infectious Diseases other than Typhoid Fever, Delirium Tremens, Itch, Incurable Diseases, and Chronic Ulcerated Legs, more suitable for a Parish Infirmary, and those who are capable of receiving equal benefit as Out-patients.

VISITING DAYS.—Wednesdays and Saturdays, from 4 to 5, and Sundays from 3 to 4.

Out-patients are attended DAILY (Sundays and Public Holidays excepted) They must present their letters at the Hospital at the following times :—

GIFTS OF CLOTHING.

The clothing of many of our poor patients is of such a scanty and threadbare description, as to afford them but the very slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, and especially boots and shoes, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.

REPORT

OF THE

CONVALESCENT & PATIENTS' AID FUND

AND OF THE

STURGE FUND,

For the Year ended 31st December, 1900.

TRUSTEES.

GEORGE P. FIELD, Esq.
Sir EDWARD HENRY SIEVEKING, M.D.
EDWARD PARKER YOUNG, Esq.

COMMITTEE.

Col. STANLEY G. BIRD. H. W. PAGE, Esq.
MALCOLM MORRIS, Esq. ALFRED SCORER, Esq.
EDWARD SMITH, Esq.
and the TWO HOUSE VISITORS for the time being.

SECRETARY.

THOMAS RYAN, Esq.

The Committee of the Convalescent and Patients' Aid Fund, and of the Sturge Fund, have pleasure in presenting their report of the work done during the past year, accompanied by the usual account of Income and Expenditure.

The number of patients sent to Convalescent Homes was 302. The particulars are as follow :—

Homes to which Patients were sent.		*No. sent.*
Metropolitan Convalescent Institution—		
Bexhill Branch	29	
Walton-on-Thames	36	
Broadstairs (Children's Branch)	26	
	—	91
All Saints' Convalescent Hospital, Eastbourne		2
St. Andrew's Convalescent Home, Folkestone		4
Royal Sea Bathing Hospital, Margate		10
Seaford Convalescent Home		2
Other Homes		6
		115
Hos ital Convalescent Home, Parkwood, Swanley		187
		302

The Committee have been assisted towards sending so many patients to Convalescent Homes by kind gifts of letters by the undermentioned ladies and gentlemen :—Mr. Herbert W. Page, who gave 10; Captain Webbe, who gave 5; Mr. W. Austen Leigh 2; and 1 from each of the following: Mrs. Brooke, Mrs. David, Miss Gent, Miss Charlotte Hall, W. F. Hancock, Esq., Mrs. Law, J. W. Mirfield, Esq., Miss Philpotts, Miss Stebbing, C. A. Thurburn, Esq., and Mrs. Webbe.

Travelling expenses were paid for 283 patients to and from Convalescent Homes. Pecuniary assistance was given to 269 patients, consisting in most cases of the fares to their own homes. Surgical and optical appliances were supplied to 74 patients.

Again the Committee offer to the Contributors to the Fund and to the Donors of Letters their sincere thanks for the help which has enabled them to provide for so many poor patients, to whose lot it could not otherwise have fallen, the inestimable benefit of a stay in the country to recruit their strength.

The Committee trust that the knowledge that so much help can be given to so considerable a number at so comparatively trifling an expense will lead many governors and subscribers, who are not at present contributors to this most useful branch of the Hospital's work, to become Annual Subscribers of a small sum to the Convalescent Fund.

Signed on behalf of the Committee,

THOMAS RYAN, *Secretary.*

1st March, 1901.

PATIENTS' CLOTHING.

The clothing of many of our poor patients is of such a scanty and threadbare description as to afford them but the very slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. Contributions of left-off wearing apparel, *and especially boots and shoes*, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.

PATIENTS' CLOTHING.

The Clothing of many of our poor patients is of such a scanty and threadbare description as to afford them but the slightest protection against the cold and the rain.

To discharge them in this wretched condition, with their physical powers of resistance against inclement weather at their lowest ebb, is a melancholy office. Yet the Secretary constantly has to perform it, because he has not the means of relief. *Contributions of left-off wearing apparel, and especially boots and shoes*, would enable him to do something for these poor half-clad creatures, and he therefore begs very earnestly to solicit gifts of this kind.
